

Meet Sukie...

Sukie is a beautiful English girl that came to us from Amber Sky Farm. Her AKC registered name is “Rumajas Amber Sky Crimson Butter”, but she goes by Sukie. We love her blocky, stocky look and her beautiful otter tail. Sukie loves to be with her people, while yet having an independent side. (I’ll come if I want to:)) She is health tested through Embark. We are looking forward to her first litter with us here this summer/fall.
